Granby High! Our Alma Mater!
Let the joyful welkin ring!
Hail to thee, our Alma Mater!
Ever praise to thee we sing.
We all love thee, Alma Mater,
Thou hast led our steps aright;
Come Weal! Come Woe!
Wherever we may go,
May our memories of thee be
bright;
Oh, Granby High! Oh, Granby
High!
Oh, Morning Star of Life in our
sky!
May our lives ever be,
Pride and Honor to thee!
O, God bless thee, Granby High!

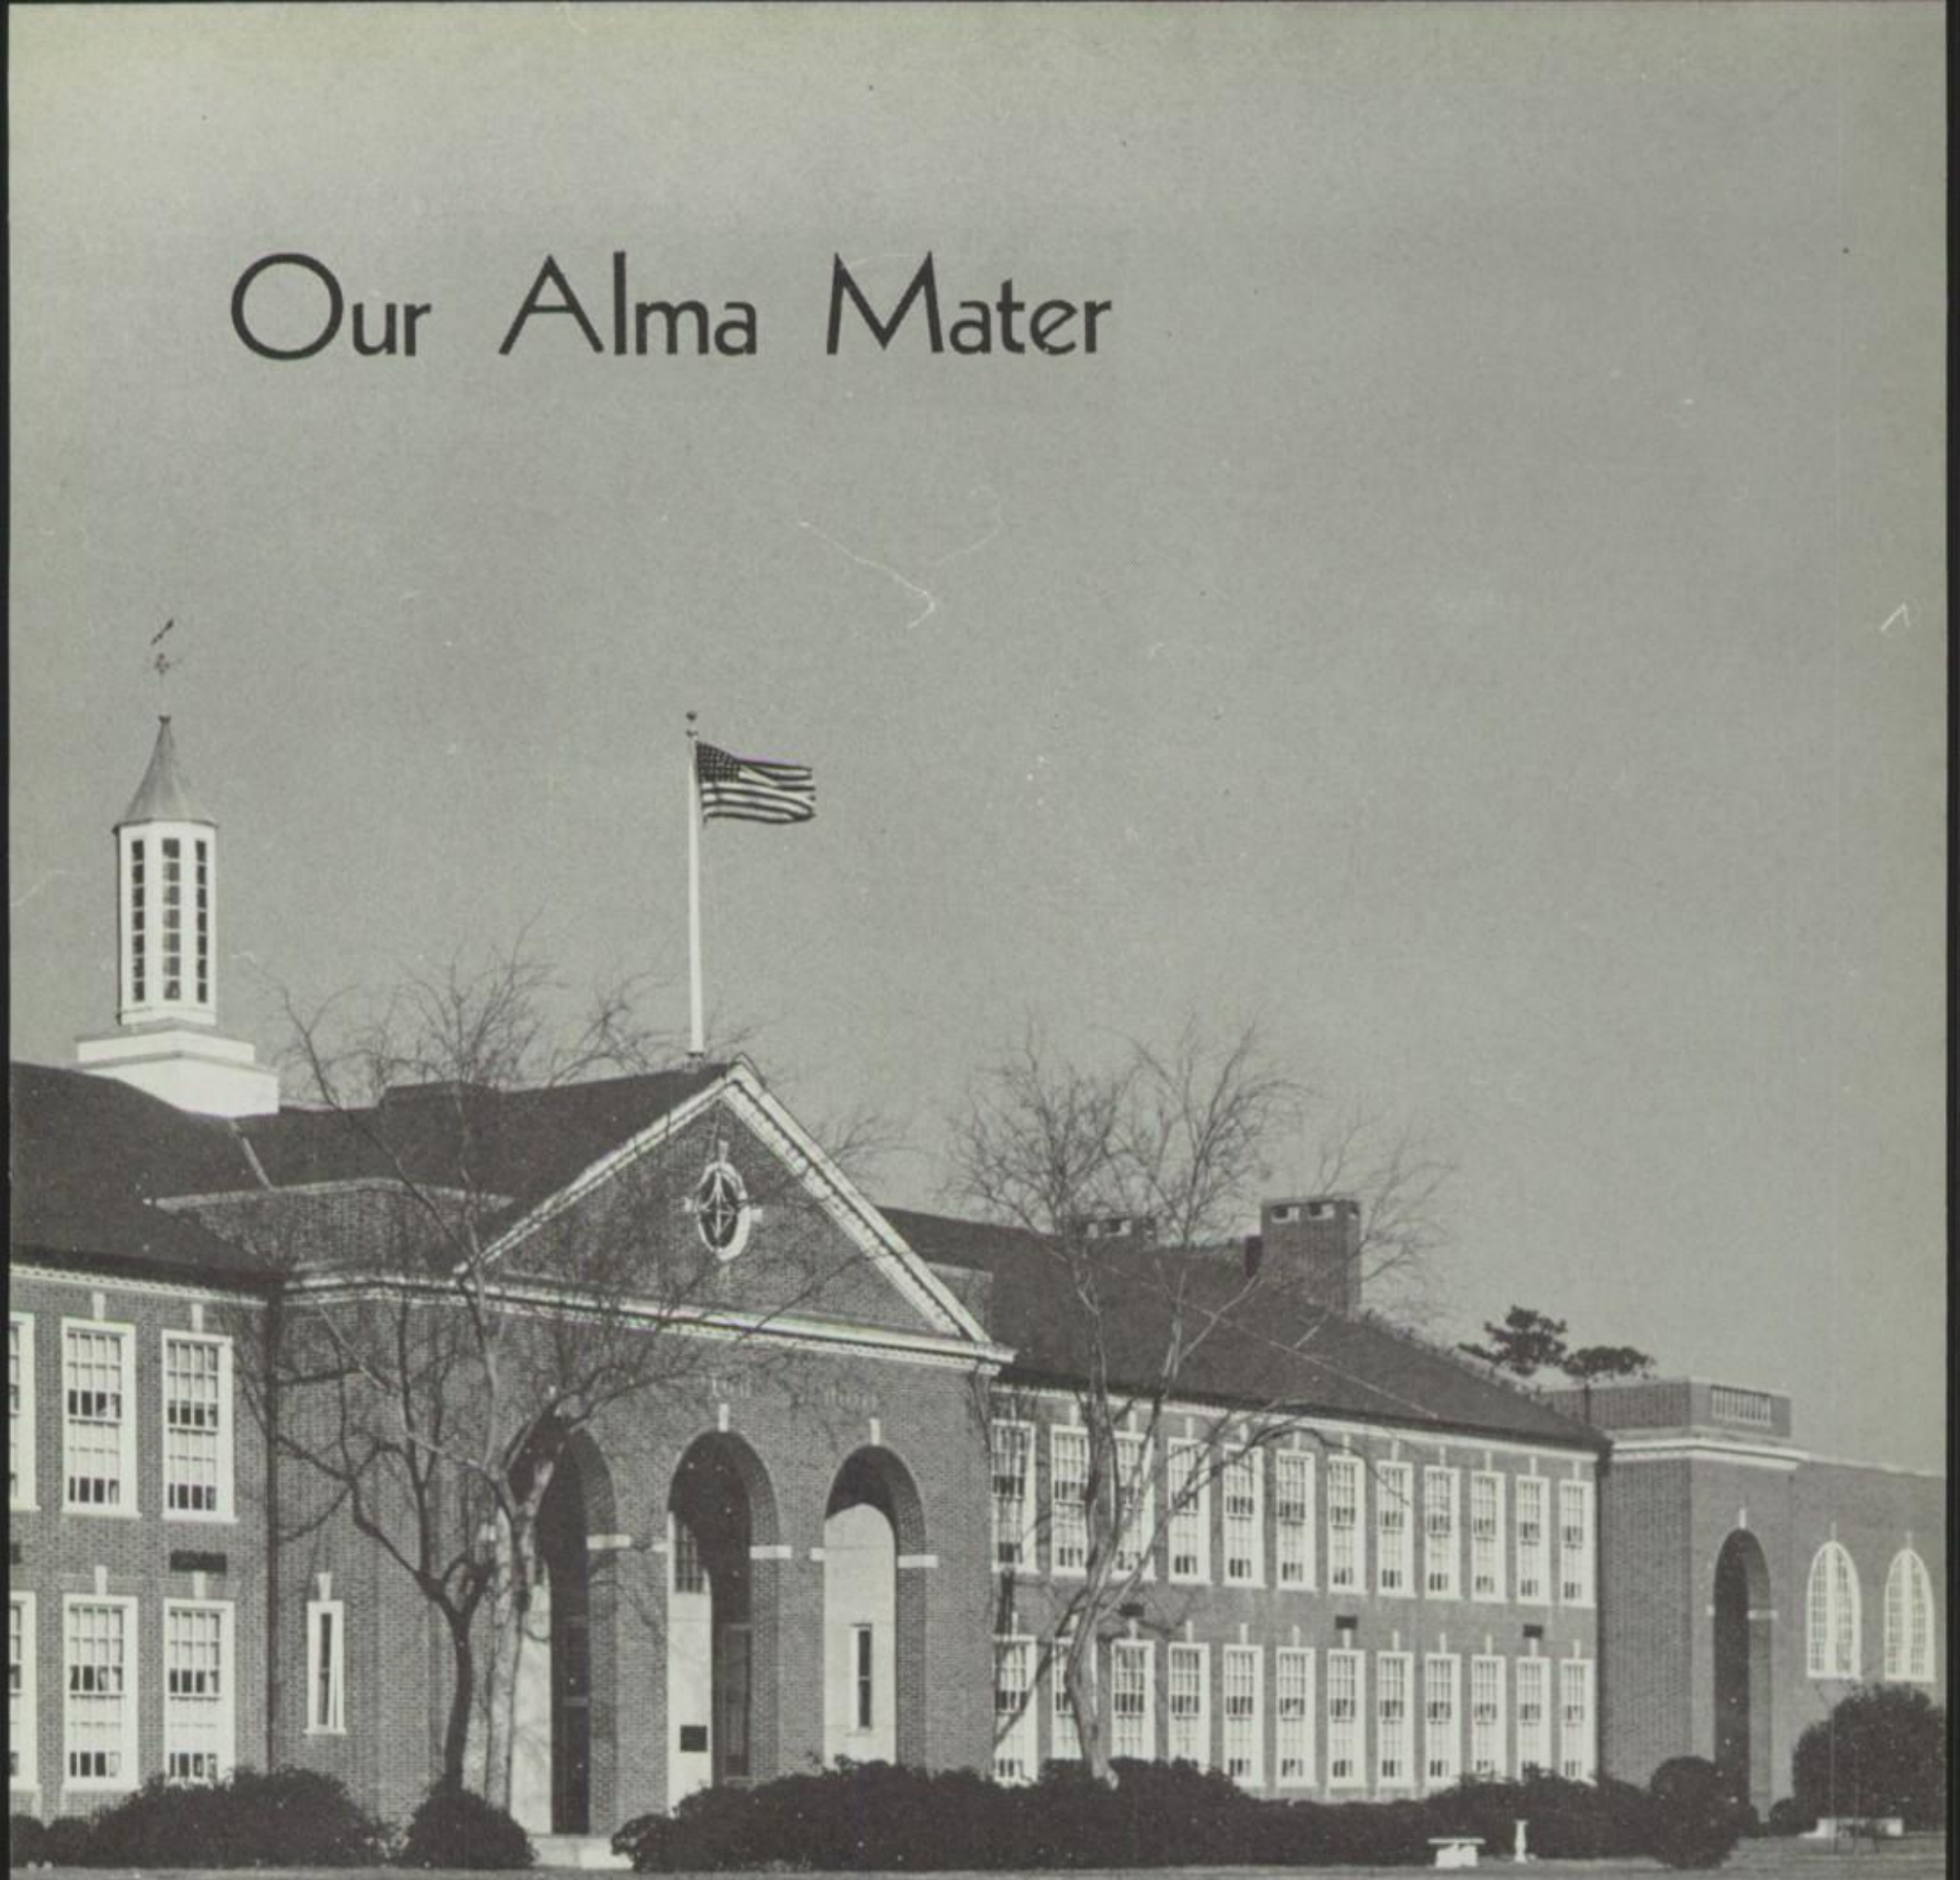
Our Alma Mater



Foreword

"Granby High, our alma mater, let the joyful welkin ring ". . . How often we have sung these words! This year we, the staff, have endeavored to incorporate Granby's Alma Mater into your 1955 *COMET*. With the hope and prayer that this book will be a permanent record of many happy days, we present to you, the student body, your yearbook.

Dedication

MRS. VAUGHN ADAMS

Within the past years we have come in close contact with one whose tireless energy and endless devotion to her students have commanded our respect and admiration. In the classroom she has unselfishly given her time and patience to help us; she has brought into our classes an atmosphere of informality and enjoyment as well as a desire to learn. In the bookroom she has worked hard at a thankless job. As our friend she has strengthened the relationship between students and faculty. And so, for all she has done for us, we, the class of 1955, proudly offer our book, our thanks, our friendship to Mrs. Vaughn Adams.

Thou hast led our steps aright . . .

The Student Government of Granby High School, patterned after the federal government, has two legislative bodies, the Senate and the House of Representatives.

The President of the Student Government presides over the Senate, which is composed of the four Student Government officers and the President and Senator of each class.

The House of Representatives is composed of a representative from each homeroom and is presided over by the Vice-President of the Student Government.

Initiating activities for the benefit of the student body is the principal project of this organization. This year was opened with a Bermuda dance at the end of Howdy Week. Signings of the Honor Code were held, a blessing at lunchtime was initiated, and a lost and found department was begun. Deciding on a Granby School prayer, building a suggestion box, collecting money for our Greek war orphan, and selling bus tickets, Granby book covers and license plates were other projects undertaken by members of the Student Government.

Junior Red Cross

The Granby Junior Red Cross Council is composed of a member from each homeroom. At the beginning of every school year the entire student body is given a chance to join the Junior Red Cross. The Red Cross representatives not only work hard on this annual project of enrolling members, but also cooperate with the city Junior Red Cross in many projects.

Look at all that money the Council members have to count!

"Where's that copy?" . . . "Did you ever get that ad?" . . . "What am I going to do now?" To any member of the annual staff these are familiar questions. Always rushing to meet deadlines, the efficient and busy staff members seem never to find an end to their tasks.

Although there is hard work to be done, much fun is attached to being a member of the annual staff.

When at last all the ads have been sold, all copy has been written, and each face has been identified, the members of the annual staff heave a sigh of relief as the *Comet* goes to press.

Dedicated to the ideals of a free press, the Granby SPECTATOR staff meets the challenge of each new issue with vigor and enthusiasm. Ever alert to modern trends, the editors and reporters are constantly improving make-up and material.

The SPECTATOR's prime purpose is to furnish adequate coverage of all school functions. Other aims are to reflect student opinion, to offer talented and interested writers practical experience, and to forge a closer link between the administration and the student body.

Printer's ink seems to flow in everyone's veins two hours before deadline time, as the staff sends to the presses another edition of the "voice of Granby."

International Relations Club

Members of the International Relations Club are interested in other countries. People who have traveled abroad speak at the club meetings about the countries they have visited. Thus Granby students learn much about the customs and interests of their neighbors around the world.

"What a desolate place would be a world without flowers! It would be a face without a smile, a feast without a welcome." Such is the feeling of the members of the Granby Garden Club.

Among the many projects of the club are the Christmas Decorations Clinic and the Spring Flower Show. At club meetings speakers from Garden Clubs throughout the city demonstrate flower arrangement techniques. Members of Norfolk Garden Clubs also serve as judges for the Christmas homeroom door decoration contest, another project sponsored by the Granby Garden Club.

CHORUS

"Softly now! Then build it up!" urges Mrs. Eleanor Walden, able director of the Senior Chorus. Composed of approximately eighty-five students, this group provides much enjoyment for the student body, and has a very definite role in school life. It performs not only for the school but also for various civic organizations.

Within the chorus are several small groups: the Madrigals, the Girls' Double Sextette, and the Boys' Quintet, better known as the "Crows." The "Crows" furnish entertainment for school social functions and can often be heard harmonizing in the halls of Granby.

John Owens assigns rooms to the speakers for Vocational Guidance Day, which is sponsored by the Key Club.

WE BUILD is the motto of the Key Club. This club achieves its goal through service to the school and the community. Under the leadership of sponsor Mr. James Campbell and president Ing Kiland, the Key Club trimmed the school walks, set the clocks, aided on Career Day, sponsored the "Be-Bop Hop," sold drinks at sports events, donated to CARE and the Joy Fund, and sponsored a $100 scholarship. Key Clubbers have learned that service is an eternal striving for an infinite goal.

Pan American League

To give a better understanding of the life and customs of Spanish speaking countries is the purpose of the Pan American League. One of the highlights of each year is the Christmas party, at which time a pinata, a gaily decorated jar filled with candy, is broken, as is the custom in Mexico.

This year a special celebration of Pan American Day was held on April 14 with students from Woodrow Wilson High School in Portsmouth as Granby's guests.

The Cue Club, an organization of Granby students who are interested in all phases of dramatics, sponsors a three-act play each fall. This year the curtains rose on a hilarious comedy, "You Can't Take It With You." Another highlight is the annual spring tea for members of dramatic clubs in the Norfolk schools.

Footlights Club

Curtain Call! Rehearsal! Script! To any member of the Footlights Club these are familiar words. Composed of junior high school students, the club sponsors several plays annually. This year one production concerned—of all things—"The Bathroom Door."

Thespians

The National Thespian Society is composed of students who have already gained experience in dramatics. Membership is based on points awarded for productions and backstage work. To induct new members, a candlelight service and a banquet are held each spring.

The Thespians annually produce a play in which the members assume full responsibility for casting, acting, and staging.

Band

The Band, an organization of which Granby can be proud, does much to make football games, pep rallies, and auditorium periods more enjoyable for us. Also, on that memorable night of graduation the band adds a finishing touch with the traditional strains of "Pomp and Circumstance".

Last year the Granby Band was invited to play at the convention of the American Association of School Administrators in New Jersey. To raise money for this trip, members sold Christmas cards, ribbons, and magazine subscriptions. It was hard work, but their comment is, "It was worth it!"

The band is proud of the fact that thirty-five of its members are in the All-State Band this year.

Drill Team

"Line her up!" is a familiar expression to the "early-birds" of the Drill Team. It takes much will-power to get out on the field for practice before the eight o'clock bell rings. While the drummers beat the cadence and the right guides scream, "One, two, three, four!" the drill goes on.

We at Granby are very proud of our Drill Team, which has made many fine showings.

Hi-Y

Herbie Richardson instructs new Hi-Y members concerning their duties

The George Williams Chapter of the Granby Hi-Y works in conjunction with the Norfolk Y. M. C. A.

Among the various activities of the club is the annual "Christmas Baskets" drive to aid underprivileged families. One of their newest projects is painting parking stripes in the school parking lot. In order to raise money for the club, the Hi-Y has sponsored several dances.

Future Nurses

"Attention! The Future Nurses will meet Tuesday afternoon." For the members of the Future Nurses Club this announcement may mean an afternoon at a near-by hospital, where they have an opportunity to learn many of the techniques of nursing. Some of the future nurses also have a chance to practice these techniques as assistants in the Granby clinic.

Mrs. Susan Saunders, Granby's efficient nurse, plans many interesting field trips for the members of the club.

The purposes of Les Cadets and the Le Cercle Francais are to acquaint French students with customs of France and to encourage their interest in the French language. This year, besides holding meetings which offered a wide variety of activities, the French clubs presented their annual Christmas Tea, with its impressive ceremony, and won second place in the Thanksgiving Day parade of floats with a ten foot replica of the Eiffel Tower.

Junior Varsity Cheerleaders

"Highways are happy ways when the Granby students cheer . . ."

Granby ways are happy when we cheer our team on to victory. Who is it that leads us while we yell "Go, team, go!"? It is our loyal cheerleaders!

These Varsity and Junior Varsity Cheerleaders spend many hours of practice in preparation for the support they give both the football and basketball teams. Their brilliant smiles and enthusiastic cheers play a great part in all of our games.

Under the guidance of Miss Mary Gregory and Miss Shirley Bloxton, these girls have really done a great job. May the cheerleaders of the years to come follow in their footsteps with the same enthusiastic school spirit!

The Girls' Athletic Club offers a variety of activities to Junior and Senior High girls. These activities include dancing, volleyball, shuffleboard, ping-pong, hockey; as a result, even the physically handicapped can find her place in sports.

One of the highlights of the season is the annual Student-Teacher basketball game, which is usually attended by a capacity crowd.

The season is closed with the annual banquet at which awards are made to those who have earned them.

Will the score go up another notch?

Art Club

Whenever there are posters to be painted or "props" to be made for stage productions, the members of the Art Club are always willing to help. This club consists of people who are interested in art and in receiving instruction from a well qualified teacher. Decorating a float for the Thanksgiving Day parade is one of the features of the year.

Stage Crew

Have you ever wondered who fixes the stage for plays and programs with such speed and professional touches? It's Granby's stage crew. Their jobs range from applying make-up to building and painting scenery. This hard working group of boys and girls plays a big part in theatrical work at Granby.

Monogram Club

To be eligible for membership in the Monogram Club, a boy must have received a monogram for participating in some varsity sport.

In order to promote school spirit, the members of the Monogram Club hold pep rallies before the major football games. The annual Turkey hop and a faculty-student basketball game to maintain a scholarship fund are sponsored by these boys.

Members of the Monogram Club watch while Tuffy Cox prints tickets for the Student-Faculty basketball game.

The purpose of this club is to arouse among Granby students a greater interest in science. Meetings, which are open to students of all grades, are held weekly. The club's big project is the annual Science Fair, which contains entries by students from each grade.

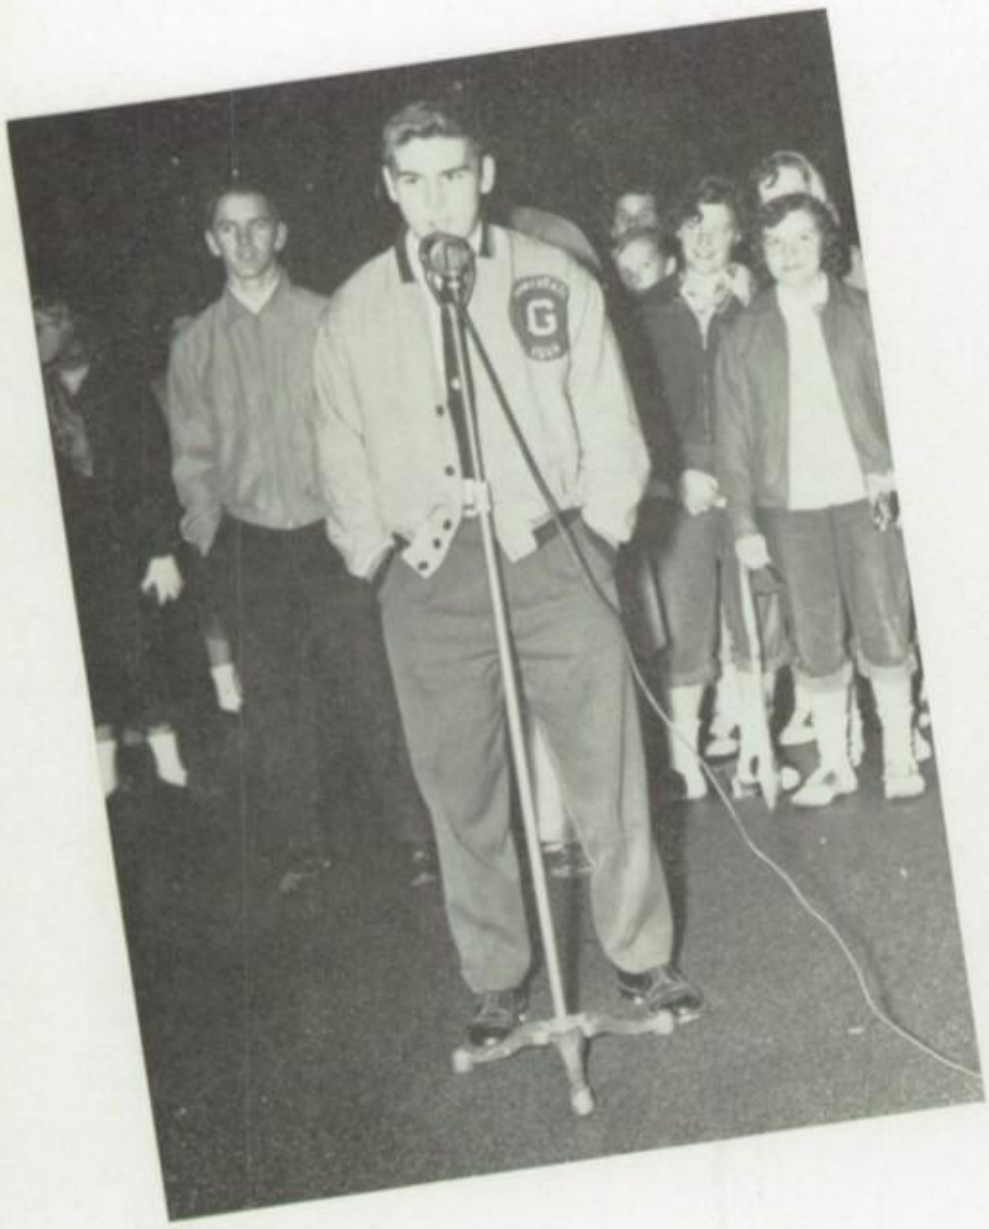
Woodcarvers Club

Tommy Merrick, Joe Robertson, Charles Daulton, Bucky Marshall, Warren Ball, David Sykes, Harvey Eluto, Stanley Weisman, Johnny Loizides

The Woodcarvers Club is one of the more informal groups at Granby. Both junior and senior high members meet before school to work on their projects. In this way they develop an interest in working with wood to create many useful articles.

"Um--uh--well, I don't know what to say, but y'all just come on out and cheer real hard".



Future Business Leaders lend a helping hand to the Anti-Tuberculosis League Christmas seal sale.

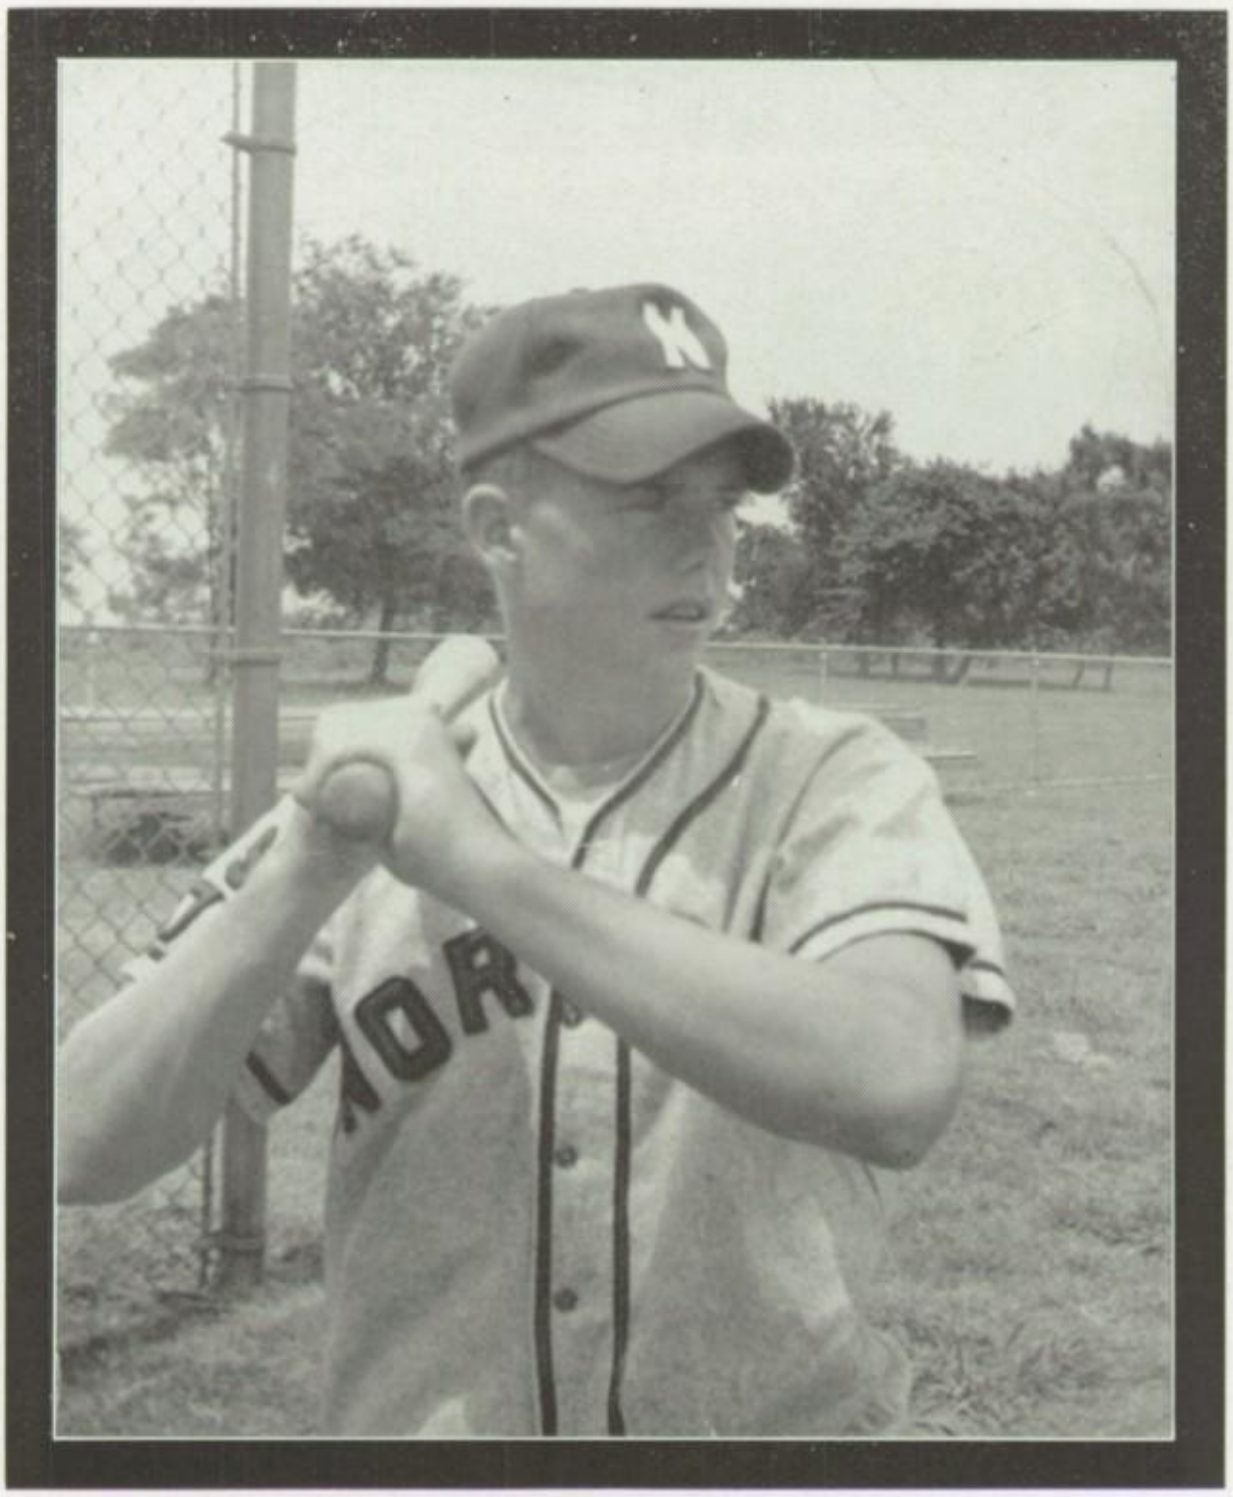
In Memory



Lawrence Edwin Seay, Jr.

This year we of the annual staff dedicate the sports section of The Comet to one who so well exemplified the true spirit of the game, Lawrence Edwin Seay, Jr., known to his classmates and friends as "Lonnie."

Lonnie belonged to that group who share a special kind of spirit in their own world, that of the athlete. Who but the athlete knows the feeling that comes when he makes the team, or plays in his first game, or wins for the first time? Who but the athlete knows the tension, the heartbreak, or the reward that comes from hard competition on the field? But Lonnie left to us more than an example of one striving to achieve his goal through hard work. He gave us a model of one devoted to an ideal. He brings to our minds thoughts of American youth . . . fresh, bright, energetic; of strength coupled with an unfaded spirit.

Therefore, in recognition of these qualities, we present this section of our annual in memory of Lonnie Seay.

Come weal, come woe . . .

Varsity Football

An eager but rather inexperienced Granby football team waged its first two games unsuccessfully. With improved team playing and many switches in the line-up, the Comets came back to win four in a row, only to find that they were all to be forfeited due to a new eight-semester rule. Following this blow to the team's spirit and confidence, the Comets lost their last three games to their toughest opposition.

Hi Floriana, Flo-flo, Florenza

Wow, this year really has gone by fast. I'm so glad it's been a great learning year with you in these arts & I'm going to be a great drummer & rock star like you are. Be good, and come see me! Get together. Be good, and

Vibb
Pat.

Hi, Flo,

We've had lots of fun in the past year, and I know we'll have lots of fun in the coming years. Loads of luck to a real sweet gal.

Lots of love,

Vibe

Hey Flo:
Hope you always have the best of luck in every thing you do. Try to pass every thing in Sept. It's a strain though. Have a nice summer and don't work to hard.

Love,
Carolyn L.

Dear Flo,
Gosh, hasn't this year flown by? We had more fun this year in chorus when you and Linda and you come and visit me.
Didn't we have fun that when we went to the movies and then went to Stella's house. Remember how we made those "feet" ladies most when we out laughed them but I guess it was a little late and they ~~were~~ ~~tired~~ ~~sleepy~~ probably tired.
Remember that time Betty Lee and you spent the night and Betty Lee had a date and we waited at the steps for her.
Well,
Best of luck to a sweet and darling gal. Love Always,
"Joan"
P.S.: Remember all the times we got tickled at Junior and Jimmy gave us dirty looks

Hi Jessie,

Say! haven't we had some great times together with the gang! the Wards corner gang! it sure has been great knowing such a sweet, darling girl. We're ~~~~ going to have loads of fun this summer and I hope you come over lots and lots of times. Flo, always be like you are now. ~~~~ never change a bit never! never! never.

Lots of love,
always
Bet Lee,
